Readers

Discover our extensive collection of engaging stories tailored for young learners and secondary students. Delve into a series of charming and captivating tales graded for primary school use, alongside fascinating narratives designed to inspire literary exploration and language development in secondary students. Whether you're starting out or aiming for advanced proficiency, our diverse range of books offers enjoyable reading material and rich language contexts for every learner.

The Fox and the Crow

One day, a hungry fox comes across a crow which has a yummy piece of cheese. What will the fox think of to get the cheese from the crow? Will its plan work?

The Princess and the Pea

A prince is trying to find the right princess. But how does he know which princess is just right? A little green pea is the answer!

Little Red Riding Hood

Little Red Riding Hood goes to her grandma's house with her basket full of treats. In the forest, she meets the wolf and she's in for a surprise. Or is he?

The Country Mouse and the City Mouse

The city mouse visits his cousin in the country for the first time and experiences a lifestyle he had never imagined. What will happen when the country mouse repays the visit and goes to the city?

Sinbad the Sailor

Sinbad sets sail on his ship, seeking thrill and adventure. On his seven voyages, he finds danger and monsters but also riches and excitement.

From the Earth to the Moon

A group of men decide to build a spaceship and travel to the moon. It is not an easy task, and the road is full of adventures and difficulties.
